ASSISTANT SECRETARY TO GOVERNMENT 2430 D 19 JUL 1946 REVENUE DEPARTMENT

Reference:-

The Board invites the attention of the Government to its Reference C.R.No.17126-Abk/43-XA1, dated 10-2-1944 regarding the need for the erection of a distillery at Hospet and to G.O.Ms.No.440, Revenue, dated 3-3-1944 sanctioning its erection by the India Sugars and Refineries Ltd., Hospet. Due to scarcity of building materials and to the restrictions imposed on certain materials such as cement, iron and steel etc., the Company were not able to make much progress in the erection of the distillery and their distillery was not therefore considered for the arrack supply contracts for 1945-46 and 1946-47 leases.

2. The India Sugars and Refineries Ltd., report in their letter dated 4-6-1946 that they have after much trouble and spending about Rs.5 lakhs completed the erection of the distillery, that they propose to commence immediately the distillation of alcohol for the supply of denatured spirits and potable liquor to the neighbouring Province of Bombay and to the Native States of Sandur and Hyderabad and that geographically the distillery is best situated to cater to the demand of half the Bombay Province, the Native State of Hyderabad and also the Portuguese territory of Goa. They request that orders may be issued for the final inspection of the building and the machinary and that the Government may be addressed for sanctioning the staff required for supervising the operations in the distillery.

3. The Assistant Commissioner for Distilleries visited the distillery on 17-6-1946. He reports that the work in the distillery is almost complete except for laying out the pipe lines and other minor items which have to be done with the guidance of Departmental officers. He recommends that the Government may be addressed for sanctioning a staff of one Assistant Inspector and 3 peons for employment at this distillery

4. With the re-introduction of prohibition in the four ex-prohibition districts and with its extension in due course to other districts, the need for a new distillery at Hospet for the supply of arrack to any part of this Province will not arise. But it may be unfair not to grant a licence for this distillery, on this account, when its erection was already sanctioned by the Government and has now been almost completed, after spending a considerable sum. The India Sugars and Refineries Ltd., look mainly to markets outside this Province for the disposal of the spirits distilled from their distillery. The distillery will be very favourably placed for selling denatured spirits. There is therefore no harm in licensing this distillery for the manufacture of rectified spirits, denatured spirits and potable spirits for supply to places outside this Province. The cost of the staff employed at this distillery will be borne by the India Sugars and Refineries Ltd., as issues of spirits will be made to places outside this Province only. They have, in their letter dated 24-6-1946 to the Assistant Commissioner for Distilleries, expressed their willingness to ~~xxxx~~ bear the cost of a staff of one Assistant Inspector and 3 peons proposed for employment at their distillery. The Board therefore requests that the Government may be pleased to accord sanction for the employment at the Hospet distillery of a staff of one Assistant Inspector on III grade on Rs.125/- and 3 peons on Rs.12-17 each per mensem for a period of one year from the date of appointment. The actual cost of the staff together with leave and pensionary contribution will be recovered from the India Sugars and Refineries Ltd., in advance every month and credited to Government.
